Vintage Tours joins the Regional Tourism Organisation Porto and North of Portugal – Convention and Visitors Bureau

Kempton, 26 November 2025 – Vintage Tours is pleased to announce its official membership in the regional tourism organisation Porto and North of Portugal – Convention and Visitors Bureau. Vintage Tours offers exclusive classic car tours in Portugal and Spain, with a particular focus on the North of Portugal. Therefore, joining the organisation Porto and North of Portugal, which promotes sustainable tourism in the region, is a logical next step in the continued development of Vintage Tours.

The mission of the organization Porto and North of Portugal is establishing Porto and the North Portugal region as a premier tourist destination and to promote authenticity, sustainability, and innovation in every tourist experience, actively contributing to the region's economic, social and cultural development.

Matthias Haux, founder and owner of Vintage Tours, who himself lived in the North of Portugal for several years, welcomes the partnership with Porto and North of Portugal, not least because the classic car tours in the North of Portugal form the core of the portfolio of Vintage Tours. These include inter alia road trips into the Douro Valley or the Peneda-Gerês National Park.

The Douro Valley tours place particular emphasis on experiencing the region's unique cultural landscape and the history of winemaking in the Alto Douro – one of the world's oldest wine-growing regions and a UNESCO World Heritage Site. On the Vintage Tours through the "green North of Portugal", guests experience not only the unspoiled nature of the Peneda-Gerês National Park but also cities such as Braga and Guimarães, the latter often referred to as the birthplace of Portugal thanks to its rich history. Both tours start in Porto, including a visit to the port wine cellars in Vila Nova de Gaia.

With carefully curated routes away from the mainstream, handpicked hotels and regional gastronomy, Vintage Tours offers unique experiences of landscape, history and culture in the North of Portugal that leave a lasting impression.
