### **Vintage Tours Presents the 2027 Travel Programme – Exclusive Classic Car Tours Through the Most Beautiful Regions of Portugal and Spain**

**Kempton, 23 July 2026 – Vintage Tours has published its travel programme for the 2027 season. Once again, the specialist provider of exclusive classic car tours invites guests to discover Portugal and selected regions of Spain in a particularly authentic way – behind the wheel of classic MGA Roadsters built from 1959 to 1961.**

The programme combines impressive driving experiences on carefully selected roads with the cultural and scenic highlights of the Iberian Peninsula. The focus is not only on spectacular roads and historic automobiles, but above all on the people, history and traditions of the regions visited.

#### **The 2027 Travel Programme at a Glance**

The season begins in spring with tours through the northern Alentejo, before the routes lead into the UNESCO World Heritage Douro Valley and then into the green north of Portugal. After the summer break, Vintage Tours continues its journeys in northern Portugal, before the Douro Valley, the Alentejo, as well as the Spanish regions of Extremadura and Andalusia, return to the programme.

#### **Authentic Encounters with Culture and History**

Each journey is designed to give guests as deep an insight as possible into authentic Portugal and Spain. To this end, Vintage Tours works with experienced local guides at numerous cultural sites, who convey history, architecture and regional traditions with expert knowledge and personal enthusiasm. This creates encounters and experiences that go far beyond conventional sightseeing.

#### **First Class Accommodation and Regional Culinary Highlights**

An essential part of the travel concept is the combination of exceptional driving routes with carefully selected accommodation. Guests stay in first-class hotels, historic Pousadas, Paradores de España and selected country estates that reflect the character of each region. The travel experience is complemented by excellent regional cuisine and the long-standing wine and culinary culture of Portugal and Spain.

#### **A Highlight for Automotive Enthusiasts: the Museo de Caramulo**

One particular highlight of the 2027 programme is once again the journey to Caramulo. The long-established Museo de Caramulo is one of Europe's most significant collections
